A black and white photograph of a person's face, heavily distorted by a grid-like pattern, possibly a screen or a filter. The image is oriented horizontally, with the person's head at the top and feet at the bottom. The grid pattern is composed of thick, dark lines that create a series of rectangular cells across the entire image. The person's features, including their eyes, nose, and mouth, are visible but appear warped and stretched by the grid. The background is a light, textured surface.
