What Defines Tinmac Motors

Our definition of CSR includes the economic, environmental and social aspects of our business, and encompasses the hundreds of thousands of individuals we touch — our employees, customers, investors, suppliers and the broader communities we operate in.

Our comprehensive approach to CSR shapes how we serve our customers and execute our growth strategies. When we undertake initiatives that transform supply chains for the better, we also reinforce Tinmac Motors as a responsible brand. To further support our stance as a good corporate citizen: Tinmac Motors is unified through a global ethics and compliance program that includes the Tinmac Motors Code of Business Ethics and embodies the many positive traits of our culture. We expect our employees to uphold the standards set forth in our Code of Business Ethics every day. Our employees are trained in anti-bribery and anti-corruption best practices, and we take extensive measures to ensure compliance with local laws and regulations. We monitor specific areas of the business that relate to CSR performance, including the road safety records of our drivers, our progress in reducing CO₂ emissions, the waste management of our logistics facilities, and the training and internal promotion of our workforce. We do not tolerate any conduct that contributes to, encourages or facilitates human trafficking, child labour, forced compulsory labour or any other human rights abuses.

Corporate Social Responsibilities

Despite the fact that the company was recently incorporated, it understands the importance of giving back to the community therefore it has come up with initiatives to help them. for us, sustainability is about building a future for everyone with whom we live and work. there is no point in building a sustainable business if there is no one around to benefit. That's why we dedicate so much of our time and energy to building a sustainable future for the communities in which we live and work. We make people our priority and tirelessly work to ensure we are involved in our communities, helping create a tomorrow in which everyone has a chance to reach their full potential.

Tinmac Motors live out its commitment to social responsibility in many forms;

Operating Safely

Sustaining Vibrant Communities

Assisting the community with long term solutions with long term solutions to academic, financial and social deficits. We have been involved in organizing tournaments in the remote areas of Manicaland province.

Safety and Security

At Tinmac Motors, we are proud to conduct our business according to safety standards that are exemplary in our industry. Our teams are trained in all aspects of safe operations, using the most advanced equipment and facilities. Tinmac Motors is a pioneer in road safety: Our Safe Driving Plan is in place in all of our Southern African subsidiaries and establishes world-class procedures to prevent risks arising from the transportation of goods.

**Safety is always a priority for us :
on the road, in the warehouse and
in the community.**
